"It's A Wrap" —Scarf Fundraiser

"It's A Wrap" the latest Ways & Means fundraising project showcases the talents of the American Angus Auxiliary's membership. Auxiliary members who knit or crochet are asked to donate a handmade scarf to the Auxiliary. These scarves will be sold in the Auxiliary's "Holiday Room" in the Crowne Plaza, Louisville, KY, November 13th - 15th. It is the hope of Regional Director, Annie Viator, that this project will not only bring in additional revenue, but also involve the membership and their creative abilities. Check out the beautiful craftsmanship of the Auxiliary's talented membership while in Louisville for the American Angus Association and American Angus Auxiliary's Annual Meetings. For more information contact Annie Viator at 979-777-7417.

Scholarship News—An Historic Tradition—Ardyce O'Neill, Iowa

The historic tradition of selling a donated heifer to benefit the Scholarship Fund will once again be taking place at the All American Angus Breeders' Futurity in 2011. Tom Burke, Chairman, has graciously given his consent to the Auxiliary for this event to take place.

The American Angus Auxiliary Scholarship Fund was built by selling donated heifers from early on up through the mid 90's. The heifer sale will again be an annual event. If you are interested in either donating or buying an outstanding heifer in support of our Angus youth, or for more information, contact Ardyce O'Neill at 712/644-2062. Your support will be greatly appreciated.

Did You Know?—Ardyce O'Neill, Iowa

A long standing tradition was begun shortly after the American Angus Auxiliary was organized. The annual sale of an outstanding, donated heifer took place each summer at the All-American Angus Breeders' Futurity in KY. The heifers were donated by generous Angus Breeders throughout America.

Refer to the 50th Anniversary Book and see the roster of who donated the heifers and who purchased them.

Another very special tradition at the Futurity was orchestrated by Martha Meng, Bowling Green, KY. People attending the show had the privilege of handing out ribbons to class winners. Angus Breeders, their wives and/or Auxiliary Officers or members were summoned, in pairs (always a gentleman and a lady) to the announcer's stand. There they received instructions from Martha as to where to stand and when to hand the class ribbons to the showmen. Words just do not describe the touch of class this gave to the show along with the presence of the gracious, classy, Martha Meng.

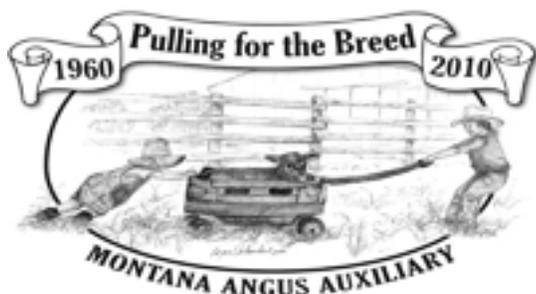

Region 3 News—Lynne Hinrichsen

Summer has flown by, Nationals are behind us and the upcoming sale season is going into high gear. Recruitment of new members was put on hold earlier this summer as I concentrated on my duties as the Decorating Co-Chair for the 2010 National Junior Angus Show. I picked up my responsibilities again during Nationals as I visited the state displays in Region 3 and spoke to some very enthusiastic members. Since Nationals I have started my membership campaign again. I even have added a great idea from a fellow regional director (Thanks, Annie) to contact new members of the American Angus Association and invite them to become a member of our organization. In addition, I have worked keep current information passed along to the state auxiliaries or key contact people. While my focus as a director will be increasing membership, I will also continue to be a person whom you may gather information about the inner workings of the American Angus Auxiliary. I am here to answer questions or discuss concerns. I am able to take suggestions to the Auxiliary board and help you get results. Let me know how I can be of assistance to you, your state auxiliary or junior members.

Region 4 News—Martha Holbouser

I would like to thank the ladies of Georgia for their hard work. September 19th will be a very special day in Georgia. Officers will be elected, committees established and goals determined for the Georgia Angus Auxiliary! These ladies are great supporters of the Angus breed and our young people. Tanya Eidson, Carolyn Gazda and Christy Page have been the backbone of organizing this auxiliary. I have seen a tremendous amount of support and willingness to help make this a reality during their state organizational meetings. The Georgia Angus Association and the Georgia Jr. Angus Association helped to host their June meeting. Join me as I welcome Georgia to the fold.

News From the Illinois Angus Auxiliary—Carla Jurgenson, IL Angus Auxiliary President

The Illinois Angus Auxiliary's goals for the 2010 year were to increase membership, to promote and educate others about the Angus breed and to increase our number of scholarship recipients.

Illinois Juniors hosted the Eastern Regional Junior Angus Show in Bloomington, Illinois this June. The Auxiliary was asked to host the Hospitality Area and set up the Children's Corral for participants and families during the show. Our members rose to the call for homemade cookies, brownies and offered their time to work the booth for the duration of the show. The ways and means project we offered proved very successful. We held a raffle for an Angus crock (ordered from the Nebraska's Junior's Fund Raising Project), Angus cups and Angus tray from the Angus Gift Barn.

We are happy to say our membership has increased since our Annual meeting in February and we are seeing a continued renewed interest in the Auxiliary and the work we do.

A committee has been formed to review our scholarship guidelines and application form. The Auxiliary wants to encourage as many juniors who are graduating to apply. Only two of the four available were awarded this past year.

Madame State Presidents, See You In Louisville—Anne Lampe, Secretary/Treasurer

The American Angus Auxiliary recognizes that a strong national organization starts at the state level and values participation and input from state and regional auxiliaries. An Auxiliary long standing by-law entitles each organized state or regional auxiliary to have their president or appointed representative serve on the executive board of the American Angus Auxiliary. Article VI Section 6.2 states: *The President of each state/regional auxiliary is entitled to serve on the Executive Board, or an appointed representative from that state/region if the President is unable to serve.*

Representative is appointed by the President of state/region. The complete executive board consists of the executive committee, made up of the Auxiliary officers and regional directors; state and regional presidents; national committee chairwomen and past American Angus Auxiliary presidents allowing for a committed, dynamic, diverse group of women dedicated to the mission of the Auxiliary. State presidents that participate in the executive board meeting gain valuable information to bring back to their state organizations as well as being

part of policy making and discussion regarding Auxiliary programs and committees.

The executive board meeting of the American Angus Auxiliary will be at 2:00 p.m. on Saturday, November 13, 2010, Crown Plaza, Louisville, Kentucky prior to the annual meeting. For more information contact President Kathi Creamer, kathi@lazyjb.com, 970-596-0045. The complete by-laws can be viewed at www.angusauxiliary.com.

Miss American Angus—Sally Yon

Wow! Where did the summer go? I can't believe everyone is back to the books and in the school routine. I don't even know where to start explaining about the amazing summer I have had. It was definitely busy and well traveled, but one I wouldn't trade for anything. I can't believe in a few months there will be a new Miss American Angus crowned. My reign has flown by and by far has been the best experience of my life!

At the end of school last year I traveled to Reno, NV for the Western National Angus Futurity. I actually was there right before exams started, and as soon as I got back to South Carolina I drove to school and took an exam to complete my semester. This was my first time in Nevada, and was one of the most interesting places I went. I also got to participate in the "Raising the Bar" and really enjoyed meeting many new juniors from the West. I'd like to thank Mrs. Laurie Van Roekel for putting on the Western States

Queen Contest. It was great meeting all the girls, and a special congrats goes to Michelle Malson for receiving that title. Also, thanks to Bethany Cobb and Brianna Taylor for helping in the ring. Of course the regional managers and NJAA board were great help, and I can't forget the amazing Shelia and Robin. Thanks for help making my job much easier! I'd also like to congratulate the Creamer family for receiving the herdsman's award! My mom and I even got to sneak off one day and go to Lake Tahoe. There are no words to explain the beauty of that place!

As school got out, I knew things wouldn't slow down one bit for me. My reign was half way over but I knew there was a lot of work to come for the summer. I first traveled to Timonium, MD for the Atlantic National Show. I had never been to this show and had always heard it was a great family-oriented show. I wasn't disappointed. Mr. Harry Bauchman did a great job of organizing this show and making the ring look better than any I'd ever seen. I also attended the Queen's luncheon and shared with the girls that it's always important to be prepared but also be flexible. I shared with them some of the experiences of my reign and some of the unexpected things that happened to me along the way. I really appreciate the sponsors for this event and Courtney Hill-Dukehart for organizing everything. The show was great and everyone was very hospitable and welcoming.

In June, I traveled to Bloomington, IL for the Eastern Regional Show. "Get Your Kicks on Route 66" was a great show and thanks to the Illinois juniors, parents, and advisors for all their hard work. I attended the queen's luncheon where I spoke to the girls about the importance of staying focused, being flexible, friends and family, and their future. It was fun having some fellow South Carolinians at this show and handing them a few ribbons throughout the show.

Attending the National Junior Angus Show in Denver, CO was a great week and a great experience as Miss American Angus. I flew with my mother, brothers, and our good friend Cory Watt to the Rockies and we all knew it was going to be a good week with friends. Our queen's reception was at an old mansion in Denver and was just beautiful. I spoke to the girls about my experiences as Miss American Angus and about how my "dream of being a princess" came true. I had the opportunity to be a voting delegate for the NJAA board of directors and all the candidates really did a great job. It was great meeting all of them and congratulations to the "New 6". I also competed in the team sales and quiz bowl contests with my brothers and Cory. During the show, I had some lovely help in the ring. I don't know what I would have done without the state queens' help. Thanks to all of you, regional managers, NJAA board, Robin, Shelia, and other Association staff. I wouldn't have been able to do it without you. "Rush to the Rockies" was an experience of a lifetime and was even more special as Miss American Angus.

A week before school started I went to Nashville, TN to the LEAD conference with my brother, Drake, and Cory Watt. We really were "live and loud" and had an awesome week with friends. I really enjoyed getting to meet new people and visiting with old friends. Thanks to all the Tennessee members, Robin Ruff, and Junior Board that helped put this great event on! As school is underway, I know time will fly until NAILE. It's seems crazy to think that my reign is almost complete and there will be a new queen in a few months. I have meet all the contestants for this year's contest and wish them all the best of luck. This has truly been an experience of a lifetime and I look forward to my last few months as Miss American Angus. Thanks to my family, Auxiliary members, Association staff, my state, and many juniors for all their support!
