

STRENGTH AND SUCCESS

We have all heard the saying “strength in numbers.” While it may seem to be a cliché, that old adage is true when it comes to membership in the American Angus Auxiliary. Our strength and success comes from many working together to achieve and carry out the mission of the Auxiliary. Our mission, simply stated, is to join together to promote the Angus breed and industry while assuring the future of the breed by working together to present scholarships, awards and recognition to junior Angus members from across the United States.

“Achievement is a we thing, not a me thing, always the product of many heads and hands

— J. Atkinson

Strength in Diversity

Angus cattle are the common factor that unites Auxiliary members; however, members of the Auxiliary are a diverse group. Our membership consists of young women just completing their junior Angus involvement, as well as women who have been members for more than 50 years. Members include ranchers, wives of Angus producers, mothers of junior members, industry professionals, past NJAA members and college students. Members may choose to lead or serve on committees that encompass a wide variety of interests and time commitments. Diversity brings strength to our organization. The Auxiliary acknowledges that we need each other to make a difference, and to succeed and grow as an organization and team.

Invitation to Join

I invite all women involved in the Angus breed and industry to join the American Angus Auxiliary. (While the majority of the Auxiliary's membership is made up of women, the membership is not limited to women only. We invite anyone who supports our mission to join.).

Annual dues are \$10, and a life membership can be purchased for \$100. Members may choose to serve on a committee or support the programs of the Auxiliary through paying dues only. To join, please use the membership form on this page or visit the Auxiliary website at www.angusauxiliary.com to download and print the application. Dues and applications should be sent to Rhonda McCurry, membership chairwoman at 501 Dawn Ln., Colwich, KS 67030.

SUPPORT THROUGH ANGUS GIFT BARN PURCHASES

The Angus Gift Barn (AGB) offers a variety of Angus-themed items for sale. Proceeds from AGB sales support the programs of the Auxiliary, including those that enhance the Angus experience for National Junior Angus Association (NJAA) members such

as scholarships, awards and the All-American Certified Angus Beef® Cook-Off contest.

Take a moment to visit the AGB website, which can be accessed through www.angusauxiliary.com and shop or browse our merchandise selection. Items for sale include baby bibs and blankets, kitchen wares, note cards, flip-flops, puzzles and more. With graduation season near, take a look at our new leather business card holders and pad folios — these items are sure to be a treasured gift for any Angus enthusiast.
